Patient Stories for Dr. Arun Kumar Nadimpalli

**VP Verified Patient** 16 days ago

I'm writing this review from hospital itself, waiting for doctor almost from 2hrs. Procto promises 15 mins wait time but after 1.5hrs also doctor is not available. Now I need to leave from here coz doctor said he is busy. I called many times to customer care but they said doctor is on the way. Such a negligence from Procto and doctor.

**Patient Stories for Dr. Arun Kumar Nadimpalli**

**VP Verified Patient** 18 days ago  
I'm writing this review from hospital itself, waiting for doctor almost from 2hrs. Procto promises 15 mins wait time but after 1.5hrs also doctor is not available. Now I need to leave from here coz doctor said he is bzy. I called many times to customer care but they said doctor is on the way. Such a negligence from Procto and doctor.
